Bout che lads?!!

I take it some of u bloggers out there will recognise my username ‘cLuR.

I am still working at Global Mobile Vision, GMV and I want to sincerely say the following things:-

- I am my own person! And GMV or no-one has told me what to do or say, in fact I will always stand by my opinions and see it of great importance to listen and respect others views also, if u got to know me at GMV u will know this

- I have read all the blogs, articles etc. regarding the accusations made against GMV, and I am offended by ex-employees disregard for their previous colleagues welfare and desire to continue working at GMV

- Since my time at GMV I have not witnessed or neither had imposed on myself any form of sexual harassment or bullying or intimidation. If such incidences did occur to any ex-employees this is an awful thing to happen to anyone, but why did u not report these incidences whilst u were here? Or if, understandably u didnt want to talk about it with management why go straight to the press with these accusations?? I mean there are proper channels to deal with these matters and help you deal with them WITHOUT ATTEMPTING TO DESTROY THE COMPANY THROUGH SENSATIONALISM, and by this what i really mean is that WHOEVER HAS DONE THIS HAS PUT MY JOB ON THE LINE AND EVERY1 ELSE WHO IS HAPPY WORKING AT GMV!!!

- I have not been promised the earth or have neither been bribed in anyway to speak for GMV, this is MY VIEW!! In fact Im sure I could get paid more money to work as a Flash Developer somewhere else, however this is not why I want to stay at Global Mobile Vision. I want to stay because I REALLY LOVE MY JOB! and yes I said LOVE MY JOB, I know its corny but its true lads. I have always been interested in new technologies and mobile technology, in fact I designed a 3G mobile phone back in college at NCAD, and have told GMV colleagues of mine about these ideas to setup my own media sharing network. I registered a domain called 'www.3rd-i.org' back in 2000 to setup a non-profit project to allow family and friends to share photos and videos etc. At the time I did not have the money or knowledge to know how to do this, plus the technology wasn't available to me, so u can understand my delight to be employed by company like GMV who could offer me the opportunity to develop my skills in this field and to make some of my ideas come into reality!! Cause that means more to me than any amount of money could or any bribe, I couldnt give a cr*p about that, in the long-run its your contribution to society which leaves a mark on the world not ur bank balance!

Im sorry that was a bit too much detail there! But its only cause Im 4 serious lads. If I lose this chance to be a part of GMV I will be greatly upset, as I know a lot of other people working here will be too, they just dont want to have their names in papers!! Which Im sure u can understand.

Its all gone a bit childish if u ask me, I urge all of u out there enforcing this attack on GMV to really listen to me.

And im honestly sorry for any grievences caused against u, but please leave my job out of it, as im happy working at

GMV. REVENGE DOESN'T SOLVE ANYTHING, GOING TO THE APPROPRIATE DEPARTMENTS IN DUBLIN SETUP TO DEAL WITH THESE MATTERS DOES.

They can investigate things and decide for themselves if GMV is has been or is currently acting in an inappropriate manor, without the risk of people losing their jobs in the process.

I hope this can all be resolved soon, we can all get back 2 normal likes!

Did anybody realise that David Crownborn smelled very foul. It wasn't just the bs coming out of his mouth. He also use 1 bottle of gel a day. I can't believe people actually took this man seriously. He also use to have a very strange london accent, none I have ever heard before & I have spent a fair share of time in london & the U.K. Really dodgy stuff. Does anybody know if they are still in operations & what has become of the existing/ex-staff. Alot of really talented people use to work in the place. It is a real shame. On the basis of the staff alone, it could of become a proper business, if it wasn't run by criminals.
