Global Mobile Vision: Open letter to Mr. Alex Fitzgearld/GMV management

After receiving Mr. Fitzgearld's response last night, I thought it would be in the best interest of everyone to involved to ask Global Mobile Vision a number of honest, straight questions. I look forward, as I am sure do other people, to the answers.

=====

Open questions to Mr. Fitzgearld/GMV management. I would appreciate if you would take the time to respond to these questions.

- * Why are Gobal Movbile Vision trading with a company registration number that does not exist in Irish Company Registration Office records?
- * Why are Gobal Movbile Vision trading with a company registration name that does not exist in Irish Company Registration Office records?
- * Why were fire escapes in The Global Mobile Vision offices routinely blocked?
- * Why are there major discrepancies with regards payment slips and P45s?
- * Why were there discrepancies with regards employees not registered with the Tax Office?
- * Name 5 clients of Gobal Movbile Vision
- * Why have Gobal Movbile Vision removed Texas and UK contact details for offices from the GMV website?
- * In Ireland before you can violate a persons privacy, you have to make an allegation against that person, and then have proof to back it up. You stated last night in your response that:
“GMV now has evidence that company property was stolen from its premises by a former trainee and that

intellectual property was also stolen in breach of employment contracts.”

What is that evidence? If you are unable to declare it in public, I would be willing to keep it private.

* Management of GMV claimed to PhD degrees. Where did they earn these certifications?
